Dear Parents,

A warm greeting to all of you!!!

Hope you all are staying safe with your family at home. As you are aware that we have started our journey of teaching and learning process on online platform from the month of June onwards due to the current scenario of unprecedented pandemic. We are extremely grateful for your continuous support and guidance in providing the amicable atmosphere to our children for their uninterrupted learning process through Online platform. Each child's progress needs to be assessed on a continuous basis using different tools and techniques so that we can provide to our dear parents a written and verbal progress summary report twice in an academic year. The following plan of action is being prepared to assess the student's progress till September month. The process of assessment will start from the second week of October. The date and detail procedure will be intimated to you later on.
